Think critically and politically!

Structured and written to follow the current AP® Course and Exam Description.

- Concise and accessible topics provide essential content organized in short, focused sections.
- Includes opportunities for students to explore and develop the skills and practices of political scientists.
- Writing features help students build argumentation skills.
- Flexibly designed to use in a one-semester or one-year course.
- Teacher Resource correlates each question to College Board Curriculum Framework.

Advanced Placement® is a trademark registered and/or owned by the College Board, which was not involved in the production of, and does not endorse, this product.

Required Supreme Court Cases and Foundational Documents

- 15 **Required Supreme Court Case** features provide in-depth looks at each case and the Supreme Court's ruling
- 9 **Foundational Document** features detail the philosophical basis and political values of U.S. government and their application to recent events

Questions based on AP® Exam formats

- 180 multiple-choice questions
- 66 free-response questions
- 5 argumentation essay questions
- 1 complete practice test modeled on the AP® Exam

Features to develop skills tested on the AP® Exam

- 60 **Think as a Political Scientist** features focus on disciplinary practices and reasoning processes
- 60 **Reflect on the Essential Question** features review key learning objectives
- 5 **Write as a Political Scientist** features build writing skills for answering the argumentation essay question
- A "Think Tank" resource for the civic engagement project
